EMSELLA®

 GOLDEN^{APG}
RADIOFREQUENCY

This Radio frequency machine has Gold tips and a matrix attachment, that achieves results like the Morpheus8, but without pain and downtime.

The natural and affordable treatment, gives an instant action 'Lifting' effect, to lift and contour (tighten) your skin.

Perfect for Body and face Sculpting.

Super welcoming, I was given an in depth consultation on my treatment and made to feel very calm and relaxed. Couldn't have done more for me and I am excited to return. S.H.

Exfoliates and smooths the skin on the face and body, removing impurities and dead skin cells. OXYGENATES the skin through VACUUM suction.
